

Thinking of a way to boost your resume or college application?

The Desert Foothills Library is the place to be.

We need young adults ages 11 and older to run our

Summer Reading Program

and additional Children's area jobs.

This is a great way to get involved in the library, help your community,
and get a letter of recommendation for all your hard work serving at a non-profit library.

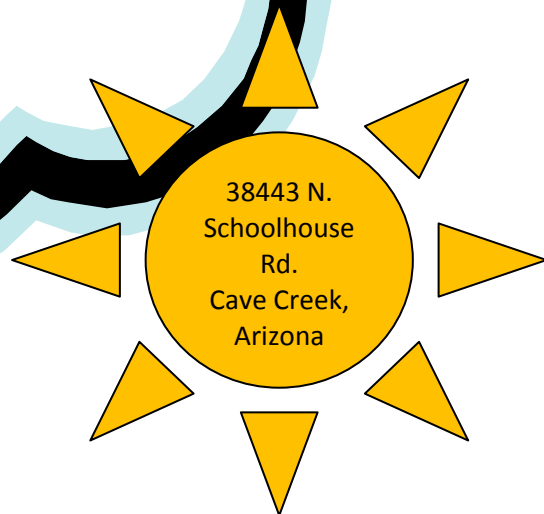

Summer Reading Program Meeting:

Wednesday, May 20 at 5:00

In the Teen Room

FOOD will be provided

Try out your
Computer skills
With our online
Program
